

## **Staff quarantine – Extended Operating Protocols**

If an employee becomes unwell in the workplace with coronavirus symptoms, they should follow the following protocols:

- Tell their employer immediately, taking extreme precaution not to potentially contaminate the work environment or their colleagues, and go home.
- Avoid coming in to contact with other staff or equipment when leaving the premises, and utilise our Travel Guidelines to avoid unnecessary risk to others.
- Contact the local authorities to arrange to be tested or report to a testing site. Testing sites are listed on [nicd.ac.za](http://nicd.ac.za)
- Contact your workplace to update them.
- Self-isolate for a recommended 14 days.

If anyone else in the household starts displaying symptoms, the person with the new symptoms should self-isolate.
